

Land of Enchantment GTO's is an enthusiast car club based in Albuquerque, NM. We have the only GTOAA chartered chapter in New Mexico. We have 25 members on our roster and member cars are Tempest, Lemans, GT-37, T-37 and GTO from 1964 to 1974. We also have the brand new series beginning with the 2004. We welcome all Pontiac enthusiasts to take part in our events and come to our meetings. You need not own a GTO, so come on out and see us. The monthly meetings are the first Thursday of the month at the offices of Manufacturing Consulting Design, LLC in Albuquerque. It is located at 8524 Paseo Alameda NE which is accessible from Alameda Rd just east of Edith. You can see a map on our website and join our e-mail list.
